COMMUNITY EDUCATION INSTRUCTORS

Become an instructor and share your passion for lifelong learning.

Our Community Education classes are taught by the community including faculty and staff within the school district.

We would love to have you join our team!

We are always looking for enthusiastic instructors and new class ideas.

Do you have a special skill, interest or hobby you would like to share?

Depending upon the time of year, classes can occur evenings, weekends, and during the week.

We require a strong passion for and comprehensive knowledge of your subject, and ability to share it with the appropriate age, ability, and knowledge level of learners.
